

ESCAPE WARRANTIES (UK) November 2017

All Escape Fitness products are warranted to be free from defects in materials and workmanship. This warranty extends to the original end-user and additionally warrants that the products comply with all applicable statutory and regulatory requirements. The warranty period commences on the date of delivery to the end-user (as recorded by the carrier) provided always that this date is not more than 3 calendar months from the date of dispatch from Escape. Subject to the Exclusions section herein, the warranty is valid for not less than the period stated in the schedule below.

Making a Claim

To make a warranty claim, you should follow the claims procedure below. Once determined, Escape will, at its sole discretion, repair or replace the product, issue a credit note or refund, or, where the claim is found to be unsubstantiated, reject (and where appropriate) return the product to you.

Claims Procedure

- 1. If you purchased your product through an Escape approved Distributor, contact your Distributor who will deal with your enquiry directly on your behalf.
- 2. If you purchased your product directly from Escape, you will need to either telephone Escape's Customer Services Department on 01733 313 535 or email <u>aftersales@escapefitness.com</u> quoting the Order Number of the product which is subject to the claim and provide full details of how and when the product(s) has been used, the fault or damage identified and contact details of the person dealing with the claim. The claim will be logged and given a unique "X" reference which needs to be quoted in all future dealings with the claim.
- 3. You must then send photographic evidence by email or post of the product and the damage/defect after which our quality control department will report their findings and advise whether the claim is accepted or rejected. If accepted, we will advise whether the product will be repaired or replaced, or if a credit or refund will be made and whether or not the product(s) needs to be returned to Escape for quality control investigation.
- 4. If a product(s) needs to be returned to Escape, we will contact you to arrange a mutually convenient time.
- 5. After your claim has been processed we will contact you again to ensure that your claim was satisfactorily solved.

Exclusions

Escape shall have no liability under the warranty if:

- (a) any further use of the product(s) is made after a defect has been notified; or
- (b) the defect has arisen as a result of a failure to properly store, care for or maintain the products; or
- (c) the defect has arisen as a result of Escape following any drawing, design or specification supplied or specifically requested by you; or
- (d) the product(s) is altered or repaired without our prior written consent; or
- (e) the defect arises as a result of fair wear and tear, corrosion due to perspiration, wilful or negligent damage or the use of the products for a purpose other than the purpose intended or in abnormal use conditions; or
- (f) the products differ from their description as a result of changes made to ensure they comply with applicable statutory or regulatory standards.

Escape shall not be liable, in contract or tort, (including, without limitation, negligence), for pre-contract or other representations (other than fraudulent misrepresentations) or otherwise arising out of or in connection with a claim for any economic losses (including without limitation loss of profit, revenue, contracts, business or anticipated savings); loss of goodwill or reputation or special or indirect losses suffered or incurred and arising out of or in connection with the provision of the products. Escape's aggregate liability (whether in contract, tort or otherwise) for loss or damage shall in any event be limited to a sum equal to the amount paid or payable for the product(s) in respect of one incident or series of incidents attributable to one cause.

Bars

The warranty does not cover: rust; bending or any other form of defect that arises as a result of neglect or use in a way that is not within the normal accepted usage of bar.

Weight plates / Bumpers

The warranty does not cover damage caused to weight plates or bumpers caused by dropping. The user must maintain full control of the bar during lifts and the bar must not be released above waist height. The warranty does not cover fading, chipping or cracking of rubber or urethane plates. In addition, the warranty does not cover the inserts on weight plates becoming loose as this can be a natural consequence of normal usage. Rubber products may emit an odour: this is a natural process and is not covered under the warranty. The Escape 5kg Technique Plates are for training purposes only and should never be dropped as this will void the warranty.

Dumbbells

The warranty does not cover fading, chipping or cracking of rubber or urethane dumbbells. The warranty covers the actual breaking of the dumbbell handle or end plate, so long as the breakage occurs during normal use. In addition, the warranty does not cover the end plates becoming loose as this is a natural consequence of normal usage. We strongly recommend that dumbbells should never be dropped and any damage incurred as a result of dropping will not be covered by the warranty. Rubber products may emit an odour: this is a natural process and is not covered under the warranty.

Kettlebells

The warranty does not cover fading, chipping or cracking of rubber or vinyl kettlebells. The warranty covers the actual breaking of the kettlebell handle or bell, so long as the breakage occurs during normal use. We strongly recommend that kettlebells should never be dropped and any damage incurred as a result of dropping will not be covered by the warranty. Rubber products may emit an odour: this is a natural process and is not covered under the warranty.

Soft products

The following situations are not covered by the warranty in relation to 'soft' products (including but not limited to Plyosoft Box, Multiplyo, Battle Rope, Jump Rope, Professional Bulgarian Bag, Fitness Bulgarian Bag, Corebag, Sandbag, Battle Bag, TIYR, GRIPR, VERTBALL, VERTMINI, Total Grip Medball, Multi Grip Medball, Slamball, Power Band, all mats, all punchbags, all gloves and pads, Speed Resistor and Resistance Parachute): any exposure to excessive moisture including from outdoor use; scratches or abrasions caused by use on flooring other than suitable gym flooring; rips or tears as a result of normal wear and tear or unsuitable use; changes in colour over time due to the exposure to light.
